

THE OKLAHOMA AIRPORT OPERATORS ASSOCIATION
MARY KELLY/JOE CUNNINGHAM
PROFESSIONAL DEVELOPMENT SCHOLARSHIP PROGRAM

Mary Kelly and Joe Cunningham strived to actively instill professionalism in the membership of the Oklahoma Airport Operators Association. Mary and Joe were mentors to many aviation professionals and enthusiasts throughout the State of Oklahoma. These two remarkable individuals touched many lives that none of us will soon forget. In memorializing Mary and Joe, the OAOA proudly presents the Mary Kelly and Joe Cunningham Professional Development Scholarship Program.

The program will primarily pay for OAOA member(s) tuition to attend the AAAE Accreditation/Certification Academy. Secondly, the scholarship will pay tuition or registration fees (up to \$2,000.00) for members to attend professional airport/aviation training courses/conference.

The OAOA encourages all members to apply for the Mary Kelly and Joe Cunningham Professional Development Scholarship. Scholarships are based on availability of funds and the recommendation of the OAOA Education and Scholarship Committee.
