Based Businesses: 11 total to include OU School of Aviation, Sooner Flight Academy, NOAA, Wrangler Aviation and Commander Aviation

Primary Customer/User Base: OU School of Aviation, General Aviation and Business Travel

Community Impact: In addition to receiving thousands of visitors each year that support the local economy, the airport also services USDA, Medflights and Law Enforcement agencies.

Needed Capital Projects: Master Plan Update and Reconstruction of Taxiways A & B.

Established in 1941 on donated land, it was converted to a US Navy Air Station in 1943 and then returned back to the University of Oklahoma in 1946 where it has continued to flourish.
